

## **Guideline Judgments Case Compendium – Update 3: April 2007**

A correction has been identified in the most recent update to the Compendium. The text under the following heading should read:

### **(I) OFFENCES AGAINST PUBLIC JUSTICE**

#### **Breach of licence**

Replace existing text under heading with:

*Please note that section 116 of the Powers of Criminal Courts (Sentencing) Act 2000 was repealed by Part 7 of Schedule 37 to the Criminal Justice Act 2003 in respect of offences committed on or after 4 April 2005. However, under the relevant transitional provisions section 116 continues to apply in cases where the term of imprisonment:*

- *was imposed in respect of offences committed before 4 April 2005; or*
- *was for a term of less than 12 months.*

The version of the update on our website has been amended. If you have printed your own hard copy of the update, I would be grateful if you would check to ensure that it incorporates the above revision.
