**5. DISCUSSION ON THEFT AND HANDLING STOLEN GOODS – PRESENTED BY MANDY BANKS, OFFICE OF THE SENTENCING COUNCIL**

5.1. The Council considered the scope of the guideline and agreed which offences to include in the guideline. It was suggested that the guideline should articulate the factors that typify the offence, the value of the theft and its consequences in relation to the impact on the victim.

5.2. The Council discussed offences such as shoplifting and the complex issues involved in offending of this type, for example offenders who have a high number of previous convictions, a history of social problems and low financial means to pay a fine.
